Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	opera, operetta, musical, ballet, cultural education, projects for children
Description or summary of the proposed project	European cooperation projects in the fields of opera, operetta, musicals, ballet, cultural education, and projects for children. We are interested in co-productions, artistic residencies, and artistic exchange. We can create both classic and contemporary works, and we are also open to new interpretations. We will be happy to cooperate with both artists (singers, actors, dancers, and musicians) and creators (directors, choreographers, and set designers).
Partners currently involved in the project	-
